

**West Virginia State High School Golf Championship
Driving Range Procedures**

**Sponsored by the West Virginia Golf Course
Superintendents Association**

Attention players and coaches on Tuesday & Wednesday morning due to the shotgun start and range size we are only able to accommodate 36 participants at a time. Therefore in our attempts to have equality among all players, we will be distributing one large bucket of balls per team and one small bucket per medalist. The Coach or designated player may pick them up at the range beginning at 7:30am each day.
